PLAN DESIGN & BENEFITS
PROVIDED BY AETNA HEALTH OF CALIFORNIA INC.

Not all health services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change.

You may be responsible for the health care provider's full charges for any non-covered services, including circumstances where you have exceeded a benefit limit contained in the plan. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

The following is a list of services and supplies that are generally *not covered*. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Aetna Rx Home Delivery and Aetna Specialty Pharmacy refer to Aetna Rx Home Delivery, LLC and Aetna Specialty Pharmacy, LLC, respectively. Aetna Rx Home Delivery and Aetna Specialty Pharmacy are licensed pharmacy subsidiaries of Aetna Inc. that operate through mail order. The charges that Aetna negotiates with Aetna Rx Home Delivery and Aetna Specialty Pharmacy may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacies' cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.
