

Dear HDIEET Member

The High Desert & Inland Employee - Employer Trust would like to announce a new partnership with TruHearing for significant **discounts** on hearing tests and hearing aids should your insurance not cover this service. In some cases, the TruHearing discount program may have more choices or lower pricing.

With TruHearing, you will have access to the TruHearing **Choice Discount Program**. There are over 6,400 credentialed providers nationwide.

You will receive:

- Expert care from the TruHearing team
- A complete hearing test (\$75.00) and 3 visits with your hearing aid purchase
- 48 free batteries included with non- rechargeable models
- A worry free 45 day trial and a 3 year warranty

TruHearing offers a battery club, 12 months of no-interest financing, transparent pricing, and a large selection of hearing aid manufacturers and models to meet your needs. Rechargeable options are also available. We have attached a brochure for your review.

These hearing aids connect wirelessly with your iPhone®, iPad®, and iPod® Touch as well as many Android® smartphones. TruHearing Advanced and Premium hearing aids also feature Own Voice Processing (OVP®) to help your voice sound more natural, eWindScreen® to reduce the wind sound, and EchoShield to cut down echoes and noises.

If you or your family member is interested in using this discount, contact TruHearing at **1-844-279-2410**. A TruHearing Hearing Consultant will explain **discount program**, answer all your questions, and schedule an appointment for you with a provider in your area. The provider will assess your hearing and recommend the right hearing aid for you. Because this benefit is fulfilled through TruHearing, **all appointments must be scheduled through TruHearing**.

Thank you for being a member and entrusting us with your healthcare needs.

Sincerely,

High Desert & Inland Employee- Employer Trust (HDIEET)
